MEMORANDUM FOR CARROLL SQUADRON PERSONNEL

FROM: CARROLL/CC

SUBJECT: Operations Order for BRATS Hamm Fest

1. SITUATION

The Baltimore Radio and Amateur Television Society will be hosting its annual BRATS radio and computer show and sale at the Timonium Fairgrounds Sunday 27 July 2001. BRATS has requested CAP support in return for a financial donation to the Carroll Composite Squadron.

2. MISSION

CAP will provide parking support at the Hamm fest from 0530 until 1300 hours. Traffic direction and parking support will be required at the main entrance off of York Road and the infield of the racetrack at the fairgrounds. Additional support will be required off of the Timonium road entrance to ensure that only vendors and handicapped pass through to the vendor parking. Other personnel will occupy stations in the parking lot to ensure that traffic avoids unauthorized areas.

CAP personnel will not operate without at least one other member in immediate contact (e.g. the "buddy system"). Per federal law, CAP, as a part of the USAF, may not engage in law enforcement activities. However, there will be police officers available if needed.

3. SERVICE SUPPORT

In past years, BRATS has provided food tickets to CAP, which are redeemable at the food booth inside the exhibition hall. CAP personnel are encouraged to bring water and sunblock (SPF 15 or higher). Members are also encouraged to bring their own food or money for food in the event that the food available at the event is unsuitable (e.g. lack of vegetarian, kosher, etc.). Parents are asked to transport their cadets via carpool. If some can drop off cadets early in the morning, others could retrieve cadets around noon. The 7-hour duty day will be broken into rotations so that there will be rest periods throughout the mission.

4. COMMAND AND SIGNAL

The project officer for this event is Maj Christian Ready. Please indicate your availability through your chain of command NLT 17 July 2001. If need be, Capt Ready may be contact direct at home at 301-498-5145, work at 301-815-1039, cell at 410-382-8070, or email at [chrisready@comcast.net](mailto:chrisready@comcast.net).

Please indicate your availability by signing and returning the bottom slip below to the squadron command.

This announcement will be updated on the squadron web site at <http://carroll.mdwg.cap.gov>.
